

Learn to Skate classes Quick Tips

- Classes are 30 minutes in length (followed by 30 minutes of free skate)
- All “Learn to Skate” lessons include skate rental.
- Skaters will receive a “Public Skate” card (5 free admissions) that can be used during LVIC “Public Skate” sessions (except Friday nights).
- “Public Skate” passes will be limited to only those customers who paid their registration fees within first two weeks of the current semester.
- “Public Skate” card must be presented to receive free admission.
- “Public Skate” card does not include skate rental.
- Recommended that students skate at least once prior to their first class.
- Warm clothing, such as a jacket & gloves, is recommended during lessons.
- Bicycle helmets are recommended for beginner / Tot 1-4 classes.
- Skates usually fit a half size to a full size smaller than your tennis shoe.
- Observers are NOT allowed to sit in the Players boxes, during the classes (it is a safety issue and a distraction to the skaters and coaches).
- Students will receive evaluation / test last week of each LTS semester.
